Hes  
started  
feeling  
in places  
he's not  
mentioning  
more and  
more.

A girl  
named  
"Shadow-  
camp"

It's not  
like I'll

"out-  
going" girl.

Can  
he talk  
to her  
without  
trying hard?

But  
what's  
it like  
with  
Shadow-  
camp?

"It's just  
kinda  
comfort-  
able."

"I don't  
feel like  
I have  
to try  
so hard  
when he's  
around you."
